"Woman Wit: Strategies & Sexism" is the topic of the Women and Issues seminar series at the University of San Diego on October 21 held from 7:30 to 9:00 a.m. in the DeSales Hall Board Room.

The October 21 seminar "Woman Wit: Strategies & Sexism," led by Rev. Carole G. Keim, M. Div., explores the process whereby both the symbolic language and the actual structures of religious organizations carry a profound impact on our thinking and feeling. Rev. Keim points out, "Currently the symbols, stories, and language that are enhancing to women conflict with the reality of contemporary religious institutions." The mythic and practical dimensions of change, as well as the pain and the promise, are addressed by Rev. Keim.
